#### Mackley on a Raid.

By the last Standard we learn that Mackier, and his party are about to go on a raid, hanging Democrats, Copperheads, &c. We will bet a big red apple that before six months he will be calling on his party to hang keir President. Who'l take bets ?

#### Democracy.

Dim is acy represents the great principal of progress It is onward and outward in its movements, it has a heart for action, and motives for a world. It constitutes the principal ing orbs of a universe. What motion is to them. Democracy is to principle. It is the soul of action. It con forme to the providence of God. It has confidence in man, and an abid ing reliance in his high destiny. It sacks the largest liberty, the greatest good and the surest happiness.

It aims to baild up the great inter est of the many to the least detriment of the iew. It remembers the past without neglecting the present. establishes the present without fearing to provide for the future. It cares for the weak, while it permits no injustice to the strong . It conquers the the oppressor, and prepares the sub gets of tyranny for Fraedom. It favors enterprises that yeilds a reward to the many and industry that is per manent. It adds wiedon 1 to legislation and improved judgment governconservator of States and 1 Nations .-It fails only when the people cease to be true to themselves. So says a
